But you'll also study innovation and entrepreneurship, project management and presentation skills. In your last year, you can even develop your own app, and build both a prototype and a rock-solid business plan.

- **5. International Business**

- Maynooth University
- **400** points
- **3 - 4 Years**
- **Overview:** International Business offers students a chance to learn how organisations of all sizes internationalise their operations to exploit opportunities in the global market, while also developing key skills for lifelong learning, including how to analyse and think critically about solving business problems in an international environment. The people, cultural, operational, and marketing insights provided by studying International Business are critical to understanding the process of internationalising and then managing diverse teams and responding to a range of international customers.

- **6. International Business and Global Cultures**

- Maynooth University
- **400** points
- **3 or 4 Years**
- **Overview:** An essential challenge for businesses in Ireland is how they can connect the capabilities of our workforce to contribute to solutions for people who are largely in markets outside Ireland, across the EU and the wider global community. Business needs graduates who can both understand the fundamentals of how to create value for customers and how to translate them into solutions and services that fit the needs of diverse cultures.

- **7. International Economics**

- Maynooth University
- **400** points
- **3 - 4 Years**
- **Overview:** Study Finance, Economics, Mathematics and a choice of languages or Computer Science. Learn how the financial system works - how assets are traded, international markets are linked, government policy decisions affect the economy and how financial markets respond.

- **8. Law and Accounting**

- Maynooth University
- **400** points
- **3 Years**
- **Overview:** This option is designed for students who would like to combine their study of law with a strong background in accounting. The BCL is a three-year degree in law combined with one other subject. While the BCL covers all the core modules of law, you cover less law than on the LLB, giving you more time to develop expertise in another subject. The main advantage is that it allows you to combine the study of law with study of another discipline.

- **9. Law and Arts**

- Maynooth University
- **400** points
- **3 Years**
- **Overview:** The BCL is a three-year degree in law combined with one other subject. While the BCL covers all the core modules of law, you cover less law than on the LLB, giving you more time to develop expertise in another subject. The main advantage is that it allows you to combine the study of law with study of another discipline. Law is taken jointly with one Arts subject for the final two years of the programme. Students can choose from a wide range of Arts subjects including languages and other areas within the humanities and social sciences.

- **10. Law and Business**

- Maynooth University
- **400** points
- **3 Years**
- **Overview:** As a graduate of this law degree programmes you will be in a position to immediately enter professional training, either by sitting the Law Society FE1 examinations for entry to the solicitors' profession or the King's Inns Barrister-at-Law Degree entrance examination for entry to the barristers' profession.

- **11. Law and Criminology**

- Maynooth University
- **400** points
- **3 Years**
- **Overview:** Students acquire a thorough grounding in the fundamental areas of legal study: including foundational legal principles; legal systems; and the role of Irish, European, and international law. By studying Criminology, students examine the causes of crime and society's reaction to criminality. Unique interdisciplinary programme with perspectives from sociology, psychology and economics, as well as law.

- **12. Marketing**

- Maynooth University
- **400** points
- **3 - 4 Years**
- **Overview:** Marketing helps you understand where, when, and how to spend your marketing budget to the greatest effect; how to plan market research, develop strategic marketing plans, and create persuasive communications, while considering the needs of a multicultural, international business environment; and how marketing fits into the operations and strategy of a firm as a whole. You will also gain insights into Business as a whole, taking key modules in Management to complement your Marketing studies.

- **13. Marketing and Global Cultures**

- Maynooth University
- **400** points
- **3 or 4 Years**
- **Overview:** An essential challenge for businesses in Ireland is how they can connect the capabilities of our workforce to contribute to solutions for people who are largely in markets outside Ireland, across the EU and the wider global community. Business needs graduates who can both understand the fundamentals of how to create value for customers and how to translate them into solutions and services that fit the needs of diverse cultures.

- **14. Mental Health Nursing**

- University College Dublin
- **400** points
- **4 Years**
- **Overview:** This exciting degree prepares you to meet the mental health needs of adults and their families. You will study in university and across a wide range of mental health services. Most importantly you will learn from those who are experts by experience: people living with or who have experienced mental health difficulties. You will develop the skills to engage with those suffering mental distress or illness, as well as their families, in a positive and collaborative way, empowering them to cope and recover.

- **15. Early Childhood Teaching and Learning**

- Maynooth University
- **399** points
- **4 Years**
- **Overview:** This full-time degree will prepare you for a range of leadership roles in the Early Childhood Education and Care. It is a progressive level 8 degree, supporting the development of outstanding early childhood educators.

- **16. Law**

- Dublin City University
- **398** points
- **3 Years**
- **Overview:** The course will allow you to study all 8 of the core modules examined in the entrance exams to the Law Society as a trainee solicitor. These are constitutional law, contract law, criminal law, property law, equity and trusts, European Union law, tort law, and company law.
